- It gives us great pleasure to announce our 5th project on the New year's eve event. As a precursor we wish to inform you that this will be a fifth of its kind project in Hotel Ashok Lake View.
- Further, this project has a great growth potential at Hotel Ashok Lake View in the following years to come. This is simply because the New Year event has the highest spend on advertising and promotion. We personally see this as a great opportunity that can be utilized to both our advantage.
- It indeed is our privilege to invite you as our Sponsor for this promising project on mutually agreeable terms. Please review the enclosed project plan, and of course feel free to ask for any additional information or explanations you may want.
- With this we look forward to a positive reply which hopefully will take us on a profitable and successful journey.
